Home also has a large screened lanai in the back with lights, wet bar/mini sink, ceiling fan, and an additional concrete patio for your bar-b-q grill or maybe a little pool for the fur babies. The mature oak trees are beautiful, giving amazing protection and shade, the house is nicely centered on this acre of land to keep privacy at it's maximum and there is an easement along the rear of the property so you wont have to worry about loosing your privacy out back either.
